

Ramakrishna Mission Residential College (Autonomous)

Narendrapur, Kolkata 700103

College with Potential for Excellence

DST- FIST Awarded College

NIRF Ranking in 2020: 20th in college category

Website : www.rkmrc.in

E-mail : admission@rkmrc.in

ADMISSION TO B.A./B.Sc. COURSES : 2021 - 22 (ONLY FOR BOYS)

1. A Candidate can apply for as many subjects as he may choose. Students who have passed H.S./ equivalent Examinations in 2021 / 2020 can apply.

Students who have passed before 2020 cannot apply.

2. Admission of students will be done fully on the merit basis. Towards this, the college has designed different specific methods for specific subjects. However, the entire process will be online.
3. While filling up online admission form **Students must write their Gmail id and phone number with utmost care. [In case someone does not have a Gmail id, he has to create one for this purpose and give only that Gmail id.]** These will be required at different stages of the admission process. Therefore, an applicant should regularly check his e-mail id during the admission process.

The college will not take any responsibility if any document or intimation sent by the college to these registered e-mail ids given by the student bounces back.

Further, incomplete application form will lead to the cancellation of the candidature.

4. Online application Portal is available at : www.rkmrc.in

5. For all types of notifications, publication of short-listed students name for online assessment (written and/or viva voce), publication of provisional merit list, publication of waiting list(s), dates of admission and allied matters, the website (www.rkmrc.in) should be followed meticulously. Institution will not accept any failure in this regard from the side of an applicant.
6. For General Enquiry : Email us only at admission@rkmrc.in (between 9 am and 7 pm)

No Phone Call regarding matters related to admission will be entertained

7. Eligibility for filling up Application Forms :

SL	Honours / Core Courses	Year of Passing	Aggregate in HS **	Subject (s) in HS
1	English	2021 / 2020	70%	English – 75
2	Sanskrit	2021 / 2020	50%	Sanskrit – 45
3	History	2021 / 2020	65%	-
4	Bengali	2021 / 2020	50%	Bengali – 45
5	Physics	2021 / 2020	70%	Mathematics- 70
6	Chemistry	2021 / 2020	70%	Chemistry – 70 ; Mathematics 60
7	Mathematics	2021 / 2020	70%	Mathematics – 70
8	Statistics	2021 / 2020	70%	Mathematics – 80
9	Computer Science	2021 / 2020	60%	Mathematics – 60
10	Economics	2021 / 2020	60%	Mathematics – 60 ; English. – 60
11	Political Science	2021 / 2020	50%	-
12	Philosophy	2021 / 2020	50%	-

Note 1 : *Aggregate marks shall be calculated by adding the marks of the top-five subjects (in case of West Bengal Council) and the top-four subjects (in case of other boards including CBSE and ISC) in order of the marks secured by a candidate. Marks in compulsory Environmental Education/Studies shall not be taken into account for calculation of aggregate marks. However, if the subject “Environmental Science” is studied as an elective subject of 100 marks, it may be taken into account for the purpose of determining the aggregate marks.*

Note 2 : *5% relaxation in aggregate & subject marks will be allowed (where applicable) for SC/ST/OBC-A/OBC-B candidates.*

8. Issue & Submission of Application Forms (Online only) :

- Date: 31 July 2021 (11.00 a.m.) to 14 August 2021 (7.00 p.m.)**
- Applicant should carefully keep with him the Admit Card generated through the college admission web portal. This may be required at different stages of the admission process and even during the actual time of arrival at the hostel (when normal campus life will resume in future).
- The students will be required to upload the following:

1. Recent passport size photograph & Signature (JPG format, file size < 100 kb).
 2. Students should meticulously write their e-mail id and phone number while filling up the online admission form. This will be required at different stages of the admission process.
- d) After the final selection, admission fees will be received online only after completion of some other procedural requirements, which may include counseling over video or audio call. However, regarding all these, there will be a separate notification when the Provisional List of the finally Selected Candidates are notified after all other merit-based selection methods are over.
- e) Important Points to note :
- i. The college is fully residential and all students will be required to stay on campus at hostels mandatorily. No day-scholar system will be allowed at any point of time. However, given the present unusual situation due to the recent COVID pandemic, the hostels will remain closed even after admission and regular classes/examinations will be held in ONLINE mode. The students will attend the classes/write examinations from their home till further notice.
 - ii. Students will be intimated regarding their arrival at the hostel and allied matters in due course.
 - iii. Students are further requested to look into the website for different notifications. Students should not expect any personal e-mail intimation from the college authority. However, the authority may, if they feel necessary, send any communication via e-mail, for which the students are asked to check their mailbox at regular intervals.
 - iv. Students should carefully read the rules and regulations that are available on the college web portal.
 - v. Scholarships are granted to financially weak students.

9. Reservation Policy:

As per the Government regulations.

10. General / Generic subject combinations for Honours subjects:

Note : Before choosing your generic subject / course, students are requested to carefully read the following conditions. :

- i. **Honours Subjects in Science Group :** Chemistry, Computer Science, Economics, Mathematics, Physics, Statistics
Honours Subjects in Arts / Humanities Group : English, Sanskrit, History, Political Science, Philosophy, Bengali
- ii. A student with Honours in any one subject of the Arts / Humanities group as mentioned above will have to take any two other generic/general subjects, at least one of which must be from Arts / Humanities Group.
- iii. A student with Honours in any one subject of the Science Group as mentioned above will have to take any two other generic/general subjects, at least one of which must be from Science Group.
- iv. No student should take the same subject from both the pools. Students are also not allowed to take two subjects from one pool.

- v. The following four combinations given below cannot be taken together either as Honours / General (Generic) combinations or as two General (Generic) combinations.
- a) History, Mathematics
 - b) Chemistry, Sanskrit
 - c) Political Science, Electronics
 - d) Computer Science, Bengali

vi. Special conditions for admission to the Honours courses:

- a) Candidates who have passed the Higher Secondary (10+2) vocational Examinations conducted by West Bengal State Council of Vocational Education and Training **cannot apply**.
- b) A candidate shall not be allowed to take up Honours in the subject under heading A if he has not passed the subject(s) mentioned under the heading B in the HS / equivalent examination.

11. Merit-based Selection Methods for all Honours Programmes :

A. Physics :

Following methods will be adopted for selecting students for B.Sc. Physics Honours Programme. Kindly read carefully the entire process. Always check the website of the college to remain updated for all notifications.

- i. There will be a short listing for an online test. Short listing will be done based on :

Marks obtained in Mathematics in 10th class final examination
(converted to 15)

+

Marks obtained in Physical Science / Physics / Science in 10th
class final examination (converted to 15)

+

Aggregate Percentage of Marks obtained in 10+2 (converted to
20)

= Total 50

- ii. These short-listed students will have to appear in an online Test.

- a. The online test will be of 30 minute duration carrying 20 marks.
- b. Syllabus for the above-mentioned online test: PHYSICS from both the classes XI and XII. Question Standard: That of various all India level competitive examinations.
- c. Question Pattern of the online test: Subjective (both concept based and numerical problems).
- d. While filling up the online application form, candidates must provide their e-mail id and phone number (preferably a WhatsApp number).
- e. The college will send the online test question paper to the e-mail id provided by the candidates.
- f. Candidates should mention their name, application number and phone number (which they have written during the filling up of application form) at the top of the blank paper where they will write out the answers.
- g. The answers must be written in the candidates' own hand writing (**preferably in black ink**) which may be verified at any later stage after the pandemic situation gets over.
- h. The candidates should also mention on their answer script the precise time when they have received the e-mail and the precise time at which they have completed writing their answer. **This entire span shall be limited to 30 minutes with a maximum buffer time of 15 minutes.**
- i. The question paper for the Online Test will be sent to the students through e-mail 5 minutes before the scheduled time for the commencement of the examination.

- j. If a candidate does not receive the question paper 5 minutes before the scheduled time for the commencement of the examination, he must report to physics@rkmrc.in by sending an e-mail. For such type of delay candidates will not be discredited.
 - k. After writing the answers in the answer scripts, candidates shall send the scanned copy of the answer script as one single legible file in .pdf format to the e-mail id physics@rkmrc.in . **The whole process of writing the examination, scanning the answer script and sending it to the given e-mail has to be completed within 30 minutes, with a maximum buffer time of 15 minutes.**
 - l. If a candidate fails to send the copy within this time limit, he will be marked absent in the Test.
 - m. Any technical issue related to sending the answer script should be informed within this time limit.
- iii. **After the online test there will be a short-listing of the candidates eligible for the next level of the admission process. This short-listing will be done based on**

**Marks obtained in Mathematics in 10th class final examination
(converted to 15)**

+

**Marks obtained in Physical Science / Physics / Science in 10th
class final examination (converted to 15)**

+

**Aggregate Percentage of Marks obtained in 10+2 (converted to
20)**

+

Marks obtained in online test (out of 20)

= Total 70

- iv. The short-listed candidates will be required to attend an **ONLINE Viva Voce** (marks allotted 30) through Google meet, to be organized by the college. Students should carefully note the date and time of his interview and should patiently wait the entire duration scheduled for him.
- v. **Final Selection will be done based on**

**Marks obtained in Mathematics in 10th class final examination
(converted to 15)**

+

**Marks obtained in Physical Science / Physics / Science in 10th
class final examination (converted to 15)**

+

**Aggregate Percentage of Marks obtained in 10+2
(converted to 20)**

+

Marks obtained in online test (out of 20)

+

Marks obtained in Viva Voce (out of 30)

= Total 100

If there arises a tie among the final short-listed candidates, the tie-breaking will be done based on the following serial:

- a. **1st Key : Marks obtained in online Viva Voce**
- b. **2nd Key : Marks obtained in online written test**
- c. **3rd key : Percentage of the Aggregate Marks obtained in 10+2**

B. Chemistry :

Following methods will be adopted for selecting students for B.Sc. Chemistry Honours Programme. Kindly read carefully the entire process. Always see the website of the college to remain updated for all notifications.

- i. **There will be a short listing for an online interview. Short listing will be done based on :**

Marks obtained in Mathematics in 10th class final examination (out of 100)

+

Marks obtained in Physical Science / Physics / Science in 10th class final examination (out of 100)

+

Aggregate Percentage of Marks obtained in 10+2 (100)

= Total 300

- ii. **These short-listed students will have to appear in an online interview.**
- iii. **These candidates will be called for an online interview through Google meet on specified date(s) and time. The link of this interview will be sent to them through their Gmail account which they have written down during the filling up of the application form.**
- iv. **In the online interview each candidate will be asked ten multiple choice type questions.**
- v. **The questions will be set in both Bengali and English. The interviewer will converse with a candidate either in English or in Bengali only, as will be preferred by the candidate.**
- vi. **The questions will be shown to the candidates one after another by screen sharing during the interview and students will have to choose the correct answer orally. A candidate will be given 15 minutes to answer all the ten questions. Once a student has been given the chance to answer a question, will not get a repetitive second chance again.**
- vii. **There will be no negative marking. Each correct answer will fetch 2.5 marks.**

- viii. Syllabus for the above-mentioned online interview: CHEMISTRY from both the classes XI and XII. Question standard: That of various all India level competitive examinations.
- ix. While filling up the online application form, candidates must provide their gmail id and phone number (preferably a WhatsApp number).
- x. Candidates should mention their name, application number and phone number (which they have written during the filling up of application form) during the online interview.
- xi. Students should carefully note the date and time of his interview and should patiently wait the entire duration scheduled for him.
- xii. Final selection will be done after the online interview and this final listing will be based on

Marks obtained in Mathematics in 10th class final examination
(out of 100)

+

Marks obtained in Physical Science / Physics / Science in 10th
class final examination (out of 100)

+

Marks obtained in online interview multiplied by 8 (out of
25X8=200)

= Total 400

If there arises a tie among the final short-listed candidates, the tie-breaking will be done based on the following serial:

- a. 1st Key : Marks obtained in Viva Voce
- b. 2nd Key : Marks obtained in 10th class Physical Science / Science
- c. 3rd key : Marks obtained in 10th class Mathematics

C. Mathematics :

Following methods will be adopted for selecting students for B.Sc. Mathematics Honours Programme. Kindly read carefully the entire process. Always check the website of the college to remain updated for all notifications.

- i. There will be a short listing for an online interview. Short listing will be done based on :

Marks obtained in Mathematics in 10th class final examination
(out of 100)

+

Marks obtained in Mathematics in 10+2 final examination (out
of 100)

+

Marks obtained in English in 10+2 final examination (converted
to 50)

+

Aggregate Percentage of Marks obtained in 10+2 (converted to 250)

= Total 500

- ii. These short-listed students will have to appear in an online interview.
- a. These candidates will be called for an online interview (marks 20) on specified date(s) and time through Google meet and the link of this viva will be sent to them through their Gmail account which they have written down during the filling up of the application form.
 - b. Syllabus for the above-mentioned online test: MATHEMATICS from both XI and XII. Question Standard : (objective type)
Conceptual/ analytic/numerical
 - c. While filling up the online application form, candidates must provide their gmail id and phone number (preferably a WhatsApp number).
 - d. Candidates should mention their name, application number and phone number (which they have written during the filling up of application form) during the online interview.
 - e. Students should carefully note the date and time of his interview and should patiently wait the entire duration scheduled for him.

- iii. Final selection will be done after the online interview and this final listing will be based on

Marks obtained in Mathematics in 10th class final examination (out of 100)

+

Marks obtained in Mathematics in 10+2 final examination (out of 100)

+

Marks obtained in English in 10+2 final examination (converted to 50)

+

Aggregate Percentage of Marks obtained in 10+2 (converted to 250)

+

Marks obtained in interview (converted to 100)

= Total 600

- iv. If there arises a tie among the final short-listed candidates, the tie-breaking will be done based on the following serial:
- a. 1st Key : Marks obtained in Viva Voce
 - b. 2nd Key : Marks obtained in 10+2 Mathematics
 - c. 3rd key : Marks obtained in 10th class Mathematics

D. Statistics :

Following methods will be adopted for selecting students for B.Sc. Statistics Honours Programme. Kindly read carefully the entire process. Always check the website of the college to remain updated for all notifications.

- i. **There will be a short listing for an online interview. Short listing will be done based on :**

Aggregate Percentage of Marks obtained in 10+2 (out of 100)

- ii. **These short-listed students will have to appear in an online interview.**

- a. **These candidates will be called for an online interview (marks 25) on specified date(s) and time through Google meet and the link of this viva will be sent to them through their Gmail account which they have written down during the filling up of the application form.**
- b. **Syllabus for the above-mentioned online interview: Mathematics from both the classes XI and XII. Question Standard: That of various all India level competitive examinations.**
- c. **While filling up the online application form, candidates must provide their Gmail id and phone number (preferably a WhatsApp number).**
- d. **Candidates should mention their name, application number and phone number (which they have written during the filling up of application form) during the online interview.**
- e. **Students should carefully note the date and time of his interview and should patiently wait the entire duration scheduled for him.**

- iii. **Final selection will be done after the online interview and this final list will be based on :**

Marks obtained in Mathematics in 10+2 final examination (out of 100)

+

Marks obtained in interview (out of 25)

= Total 125

- iv. **If there arises a tie among the final short-listed candidates, the tie-breaking will be done based on the following serial:**

- a. **1st Key : Marks obtained in Viva Voce**
- b. **2nd Key : Marks obtained in 10+2 Mathematics**
- c. **3rd key : Aggregate Percentage of Marks obtained in 10+2 final examination**

E. Computer Science :

Following methods will be adopted for selecting students for B.Sc. Computer Science Honours Programme. Kindly read carefully the entire process. Always check the website of the college to remain updated for all notifications.

- i. **There will be a short listing for an online interview. Short listing will be done based on :**

Marks obtained in Mathematics in 10th class final examination (converted to 25)

+

Marks obtained in Mathematics in 10+2 final examination (converted to 25)

+

Aggregate Percentage of Marks obtained in 10+2 (converted to 50)

= Total 100

- ii. **These short-listed students will have to appear in an online interview.**

- a. **These candidates will be called for an online interview (marks 50) on specified date(s) and time through Google meet and the link of this interview will be sent to them through their Gmail account which they have written down during the filling up of the application form.**
- b. **Syllabus for the above-mentioned online test: Mathematics from both XI and XII. Question standard: That of various all India level competitive examinations.**
- c. **While filling up the online application form, candidates must provide their Gmail id and phone number (preferably a WhatsApp number).**
- d. **Candidates should mention their name, application number and phone number (which they have written during the filling up of application form) during the online interview.**
- e. **Students should carefully note the date and time of his interview and should patiently wait the entire duration scheduled for him.**

- iii. **Final selection will be done after the online interview and this final listing will be based on**

Marks obtained in Mathematics in 10th class final examination (converted to 25)

+

Aggregate Percentage of Marks obtained in 10+2 (converted to 25)

+

Marks obtained in interview (out of 50)

= Total 100

- iv. If there arises a tie among the final short-listed candidates, the tie-breaking will be done based on the following serial:
- a. 1st Key : Marks obtained in Viva Voce
 - b. 2nd Key : Marks obtained in Mathematics in 10th class final examination
 - c. 3rd key : Aggregate Percentage of Marks obtained in 10+2 final examination

F. Economics :

Following methods will be adopted for selecting students for B.Sc. Economics Honours Programme. Kindly read carefully the entire process. Always check the website of the college to remain updated for all notifications.

- i. There will be an online test for all students who will be applying for this subject.
 - a. The online test will be of 1 hour and 30 minutes duration carrying 50 marks.
 - b. Syllabus for the above-mentioned online test :
 - i. Test on English (20 marks) : Summary Writing and Essay Writing
 - ii. Test on Mathematics (30 marks) : covering 10+2 level syllabus
 - c. Question Pattern of the above-mentioned online test: Subjective (both concept based and numerical problems).
 - d. While filling up the online application form, candidates must provide their Gmail id and phone number (preferably a WhatsApp number).
 - e. The college will send the online test question paper to the e-mail id provided by the candidates.
 - f. Candidates should mention their name, application number and phone number (which they have written during the filling up of application form) at the top of the blank paper where they will write out the answers.
 - g. The answers must be written in the candidates' own hand writing (**preferably in black ink**) which may be verified at any later stage after the pandemic situation gets over.
 - h. The candidates should also mention on their answer script the precise time when they have received the mail and the precise time they have completed their writing. This span shall be limited to 1 hour and 30 minutes (that means the duration of the online test) with a maximum buffer time of 15 minutes.
 - i. The question paper for the Online Test will be sent to the students through e-mail 5 minutes before the scheduled time for the commencement of the examination.

- j. If a candidate does not receive the question paper 5 minutes before the scheduled time for the commencement of the examination, he must report to economics@rkmrc.in by sending an e-mail. For such type of delay candidates will not be discredited.
 - k. After writing the answers in the answer script, candidates shall send the legible scanned copy of the answer script as one single file in .pdf format to the email id economics@rkmrc.in . **The whole process of writing the examination, scanning and sending it by e-mail should be done within the stipulated 1 hour and 30 minutes (that means the duration of the online test) with a maximum buffer time of 15 minutes.**
 - l. If a candidate fails to send the copy within this time limit, he will be marked absent in the Test.
 - m. Any technical issue related to sending the answer script should be informed by e-mail within this time limit.
- ii. **After this, there will be a short listing for an online interview. Short listing will be done based on :**
- $$\begin{array}{r}
 \text{Marks obtained in Online Test (out of 50)} \\
 + \\
 \text{Aggregate Percentage of Marks obtained in 10+2 (converted to 50)} \\
 = \text{Total 100}
 \end{array}$$
- iii. These short-listed students will have to appear in an online interview.
- a. These candidates will be called for an online interview (marks 50) on specified date(s) and time through Google meet and the link of this interview will be sent to them through their Gmail account which they have written down during the filling up of the application form.
 - b. Syllabus for the above-mentioned online interview: Mathematics and English from both the classes XI and XII. Question Standard: Objective / Analytical type.
 - c. While filling up the online application form, candidates must provide their e-mail id and phone number (preferably a WhatsApp number).
 - d. Candidates should mention their name, application number and phone number (which they have written during the filling up of application form) during the online interview.
 - e. Students should carefully note the date and time of his interview and should patiently wait the entire duration scheduled for him.
- iv. **Final selection will be done after the online interview and this final list will be based on**

Marks obtained in Online Test (out of 50)

$$\begin{aligned}
 &+ \\
 &\text{Aggregate Percentage of Marks obtained in 10+2 (converted to 50)} \\
 &+ \\
 &\text{Marks obtained in interview (out of 50)} \\
 &= \text{Total 150}
 \end{aligned}$$

If there arises a tie among the final short-listed candidates, the tie-breaking will be done based on the following serial:

- a. 1st Key : Marks obtained in Interview
- b. 2nd Key : Marks obtained in Online Test
- c. 3rd key : Aggregate Percentage of Marks obtained in 10+2 final examination

G. Bengali :

Following methods will be adopted for selecting students for B.A. Bengali Honours Programme. Kindly read carefully the entire process. Always check the website of the college to remain updated for all notifications.

- i. There will be a short listing for an online interview. Short listing will be done based on :

$$\begin{aligned}
 &\text{Marks obtained in Bengali in 10}^{\text{th}} \text{ class final examination} \\
 &\text{(converted to 25)} \\
 &+ \\
 &\text{Marks obtained in Bengali in 10+2 final examination (converted} \\
 &\text{to 25)} \\
 &+ \\
 &\text{Aggregate Percentage of Marks obtained in 10+2 (converted to} \\
 &\text{50)} \\
 &= \text{Total 100}
 \end{aligned}$$

- ii. These short-listed students will have to appear in an online interview.
 - a. These candidates will be called for an online interview (marks 50) on specified date(s) and time through Google meet and the link of this interview will be sent to them through their Gmail id which they have written down during the filling up of the application form.
 - b. Syllabus for the above-mentioned online test: BENGALI from both the classes XI and XII.
 - c. While filling up the online application form, candidates must provide their Gmail id and phone number (preferably a WhatsApp number).
 - d. Candidates should mention their name, application number and phone number (which they have written during the filling up of application form) during the online interview.

- e. Students should carefully note the date and time of his interview and should patiently wait the entire duration scheduled for him.
- iii. Final selection will be done after the online interview and this final listing will be based on
- Marks obtained in Bengali in 10th class final examination
(converted to 25)
- +
- Aggregate Percentage of Marks obtained in 10+2 (converted to
25)
- +
- Marks obtained in interview (out of 50)
- = Total 100
- iv. If there arises a tie among the final short-listed candidates, the tie-breaking will be done based on the following serial:
- a. 1st Key : Marks obtained in Interview
 - b. 2nd Key : Marks obtained in Bengali in 10th class final examination
 - c. 3rd key : Aggregate Percentage of Marks obtained in 10+2 final examination

H. English :

Following methods will be adopted for selecting students for B.A. English Honours Programme. Kindly read carefully the entire process. Always check the website of the college to remain updated for all notifications.

- i. There will be an online test for all students who will be applying for this subject.
 - a. There will be an online **Home Assignment Test** of 2 hours duration carrying 70 marks.
 - b. While filling up the online application form, candidates must provide their Gmail id and phone number (preferably a WhatsApp number).
 - c. The college will send the Home Assignment to the e-mail id provided by the candidates.
 - d. Candidates should mention their name, application number and phone number at the top of the blank paper where they will write out the Assignment answers.
 - e. The answers must be written in the candidates' own hand writing (**preferably in black ink**) which may be verified at any later stage after the pandemic situation gets over.
 - f. The candidates should also mention on their answer script the precise time when they have received the Home Assignment mail

and the precise time they have completed their writing. This span shall be limited to 2 hours with a maximum buffer time of 15 minutes.

- g. The question paper for the Online Test will be sent to the students through email 5 minutes before the scheduled time for the commencement of the examination.
- h. If a candidate does not receive the question paper 5 minutes before the scheduled time for the commencement of the examination, he must report to by sending an e-mail to the email id english@rkmrc.in. For such type of delay candidates will not be discredited.
